

2019 ANNUAL MEETING

ARTICLE 1: To hear the reports of the Trustees.

ARTICLE 2: Superintendent MacKinnon reported the following for 2019.

Installed

39 new services

4 fire hydrants

2,792 feet of new water main

Replaced

The District replaced 3,092 feet of water main, 37 water services and 5 fire hydrants on Hillside and Cumberland Streets. This was undertaken as a joint project with the Town of Yarmouth, with Storey Brothers of Cumberland serving as the general contractor for the project.

Total production for 2019 was 375,576,000 gallons, comprised of 95,055,000 gallons of purchased water and 280,521,000 gallons pumped from the District wells. This amount represents a 9.1 % decrease in the production levels over 2018. The District did have a general rate increase of 9.0%, effective March 1, 2019. Metered revenue was 2.3 % greater as a result compared to the previous year.

ARTICLE 3: To transact any other business that may legally come before said meeting.
